

Instructions for teams registering together as a group (10 or more players)

Coaches/Booster Clubs who are organizing their team to come to LFG with a group of 10 or more are eligible to a \$20 discount off the registration fee at the time of registration after April 1 and until the close of registration on June 2. When the fee is at \$60 (between April 1 and May 1), the team rate per player will be \$40. When the rate increases to \$80 (May 2), the team rate per player will be \$60. The cost of early bird registration is \$40 and is in effect for all registrants until March 31 – there is no team discount on early bird registration.

You may not 'substitute' one player for another. Each player must complete and pay for his registration. We do not offer refunds for registration fees for any reason. Please be sure that players and parents understand that this is a charitable endeavor and all proceeds benefit pediatric brain tumor research and cancer services.

After the close of preregistration on June 2, we will determine if there is space for walk up registrants on the day of camp. *Anyone wishing to register the day of camp is considered a walk up. Walk ups must have a completed and signed registration form as well as \$100 cash only registration fee to participate.*

Please encourage your players to register online. I can create a coupon code that you can share with team members – please email me (mloose@lfgf.org) if you would like me to do so and I will send a code for your team to use. They will enter that code when registering online which will reduce the registration fee accordingly.

If your Boosters or school will be paying for all players with one check, it is the coaches responsibility to have each player fill out a paper registration form, collect the forms and mail them back to me together in one packet with a single check made out to Lauren's First and Goal Foundation. Please let me know if you will be doing this so we can arrange a mailing date and payment. The mailing address is on the paper form: Lauren's First and Goal Foundation, 1002B Bartlett Loop, West Point, NY 10996. Please email me at mloose@lfgf.org and request a copy of the paper registration form if you must use this method.

If you will be traveling and arriving together on a bus or van, please let me know, and provide me with the name and cell number of the adult who will be traveling with the team. We will provide you with specific instructions for parking and group check in to help expedite you through the process when you arrive on the morning of camp.

Thank you!

Marianne Loose
