**Lauren's Life Lessons** by Patrice Domozych, chronicles the extraordinary life journey and life lessons of Lauren Loose, a 25 year-old cancer survivor, and namesake of Lauren's First and Goal Foundation.

Lauren's unique experiences have helped define ten life lessons which she has shared in her camp speeches to crowds at LFG Football camps since she was only 7 years old. Included in the book are responses to Lauren's life lessons in quotes from members of Lauren's Circle of Strength, highlighting the connections we all universally share.

All royalties from the sale of this book go directly to Lauren's First and Goal Foundation. Get your copy today on [Amazon.com](https://www.amazon.com).
